

Learn To Sew I Kids

Simple Side Satchel

Welcome to Learn to Sew I for Kids! We're thrilled to have you join us for this exciting adventure. Your very first project will be a simple side satchel, and you'll need to purchase a few materials before class begins. When choosing your fabrics, be sure to pick ones you love—they'll inspire you as you start your sewing journey! If you have any questions, feel free to reach out to us at info@thimblebees.com. Can't wait to see you in class soon!
