Choosing the Best Camp Experience for Your Child

Early Drop-Off:
8:30am/\$10 per day
Late Pickup:
5:00pm/\$10 per day
Lunch Buddies
12pm-1:30pm/\$15 per day

Sewing requires focus, problem-solving, and creative energy, which can be both exciting and mentally demanding. While half-day sessions allow students to stay motivated and engaged, full-day options may lead to fatigue for some children, making it harder for them to enjoy the experience and absorb what they're learning.

We encourage parents to carefully consider their child's energy levels and temperament before registering for a full-day option. During the lunch buddy time, students will have time to relax, eat lunch, and enjoy a movie, but no additional sewing or crafting will take place. This midday break is intentionally structured to give campers a mental and physical reset.

Our goal is to ensure that every student leaves camp feeling proud, accomplished, and excited about what they've created. By tailoring the experience to your child's needs, we can help make sewing camp a fun, positive, and rewarding experience!
