

What You'll Experience as a Founding Member...

Joining the Thimble Bee's Sewciety is more than a monthly fabric bundle—it's an invitation into a creative circle where inspiration flows, quality matters, and community feels like home. As a founding member, you're not just receiving fabric—you're saying yes to moments carved out for yourself, surrounded by beautiful textiles and kindred spirits who love to make.

Here's what you can look forward to each month:

3 Yards of Handpicked Designer Fabric — Every Month

Each month, you'll get three yards of premium, designer-quality fabric—and the best part? You get to choose your own bundle. At Sewciety Night, you'll browse a curated selection of fresh fabrics and handpick the ones that fit your style and sewing goals.

Sewciety Night – A Monthly Gathering Just for Members

Once a month, you'll step into the studio for Sewciety Night—a relaxed, in-person gathering where you'll handpick your fabric bundle from the latest collection, chat with other makers, and soak up fresh inspiration. Whether you come to ask questions, share ideas, or settle in for a bit of stitching, it's an evening carved out just for creativity and connection.

15% Off Additional Fabric Purchases

Fall in love with something extra? Founding members enjoy 15% off all additional fabric purchases in the studio—because we know one bundle a month might not always be enough.

Be Part of Building Something Beautiful

You're not just joining a subscription—you're helping us build a fabric community from the ground up. As a founding member, your voice, your creativity, and your support help shape what the Sewciety becomes.

This is your front-row seat to everything new we're creating at Thimble Bee's.

Lock in Your Founding Member Rate

As a founding member, your membership rate is locked in at just \$55/month—for as long as you stay. Think of it as a standing reservation for joy, creativity, and gorgeous fabric.
